

# INTERNATIONAL MATHEMATICAL CONFERENCE «50 YEARS OF IPPI»

RUSSIAN ACADEMY OF SCIENCES

INSTITUTE FOR INFORMATION  
TRANSMISSION PROBLEMS  
(Kharkevich Institute)

July 25 – 29, 2011, Moscow, Russia

Institute for Information Transmission Problems of the Russian Academy of Sciences organizes a conference to honor the 50th anniversary of the Institute.

The areas of emphasis of the conference correspond to the main areas of the Institute's academic activities and include

**Probability Theory**

**Mathematical Physics**

**Information Theory**

**Algebra and Number Theory**

During the conference the annual International Dobrushin Prize will be awarded.

**Submission of papers:** Previously unpublished contributions across a broad range of topics in Mathematics and its applications related (but not limited) to the above topics are solicited. Submitted papers (not to exceed 6 pages) should be of sufficient detail to allow review by experts in the field. PDF files of papers should be submitted to [mathconf@iitp.ru](mailto:mathconf@iitp.ru). The proceedings will be available at the conference.

**Important dates:**

Paper submission deadline May 10, 2011. Notification of acceptance May 31, 2011. Final papers due on June 20, 2011. Deadline for registration July 1, 2011.

The conference will be held in Moscow, Russia. The registration fee is €150 and covers proceedings of the conference, coffee breaks and the conference banquet.

**General Chair:**

Alexander Kuleshov, Director, IITP RAS ([director@iitp.ru](mailto:director@iitp.ru))

**Vice-Chair:**

Grigory Kabatiansky, IITP RAS ([kaba@iitp.ru](mailto:kaba@iitp.ru))

**Program Chair:**

Yakov Sinai, Princeton University ([sinai@math.princeton.edu](mailto:sinai@math.princeton.edu))
